WHAT TO DO

IN CASE OF A VEHICLE COLLISION

A collision can leave you shaken and unsure about what comes next. A crash can happen anywhere, taking the following steps can help you manage the aftermath.

- ☐ **Stop and Check for Injuries.**
  Call 911 if anyone needs emergency assistance or the crash creates an immediate danger.
- ☐ **Report the Accident.**
  Contact law enforcement to report the collision and follow the dispatcher's instructions.
- ☐ **Exchange Information With the Other Driver.**
  Collect the information needed to identify the other driver and their insurance coverage.
- ☐ **Document the Scene and Preserve Evidence.**
  If you can do so safely, take photographs and videos before vehicles are moved. Capture vehicle damage.
- ☐ **Seek Medical Attention.**
  Arrange a medical evaluation promptly if you are hurt or notice symptoms
- ☐ **Notify Your Insurance Company**
  Report the accident to your insurer promptly and review your policy's notice and cooperation requirements.
- ☐ **Track Your Expenses and Recovery**
  Create a file for accident-related expenses and supporting documents.
- ☐ **Consult a Colorado Springs Car Accident Lawyer**
